In a garden beautiful and free

Your healing runs into the world

Like a river searching for the sea

This garden grows inside of me

Ch

Call me wherever Your heart wants to go

There is life wherever the river flows
Wherever the river flows

Jesus, to the ends
F **C**
To the ends of the earth
G
To the ends of the earth

V2

These barren plains and badlands of dust
Where mercy wrote in the sand
Your river finds the old and the young
Every tribe and every tongue where they stand
To make the earth and the garden one again

Br

G **F**
The healing of the nations
C **G**
For the garden's been restored
G **F**
And every curse is broken
C **G**
For the lamb sits on the throne
G **F**
And every tear is wiped away
C **G**
In joy forevermore
G **F**
And every voice will shout in praise
C **G**
Jesus Christ is Lord

Outro

G **F**
Your final words are my first step
C **G**
A gospel shared in love that does
G **F**
And if the ends of the earth aren't yet
C **G**
I have a neighbour I'm called to love
